:

This is a decision on the petition under 37 C.F.R § 1.102, filed August 25, 1999, to make the above-identified application special.

Petitioner requests that the above-identified application be made special under the accelerated examination procedure set forth in M.P.E.P. § 708.02, Section I : Manufacture, Section II : Infringement and Section VIII : Accelerated Examination.

A grantable petition under 37 C.F.R § 1.102 (d), M.P.E.P. § 708.02, Section I, Section II and Section VIII must be accompanied by the fee under 37 CFR 1.17(i).

Petitioner has paid a single fee of \$130.00, which would cover one of the above petitions.

The petition lacks the fee required for the remaining two petitions.

For the above reasons, the petition is DISMISSED.

Petitioner is given one additional opportunity to perfect the petition by specifying which one of the three petitions should be considered. Any request for reconsideration of this decision must be filed within TWO MONTHS of the date of this decision.

The application is being forwarded to the examiner for consideration and action on the amendment filed August 25, 1999.

A handwritten signature in black ink, appearing to read 'Steven N. Meyers', is written over a horizontal line.
